

## Leukemia Foundation Thanks the Support from Golden Group

Last Thursday, the Leukemia Foundation held a "Thankyou Reception" in Perth, the capital city of Western Australia, and expressed their gratitude for the sponsorship given by Golden Group to the Foundation. Golden Group has provided financial support to the Leukemia Foundation in the past five years and has been committed to more support to the Foundation in the future. The Leukemia Foundation of Western Australia appreciated the strong support by Golden Group.

Ms. Carolyn Turner, the State General Manager of the Leukemia Foundation of Western Australia, spoke at the reception. She said, "We appreciate the strong support given by Golden Group. With their support, we are able to provide all our patients with a range of free services and help, including transportation, accommodation and education in Western Australia."

The Leukemia Foundation is the only national non-profit organisation which provides nursing care and treatment for patients suffering from leukemia, lymphoma, myeloma and other hematologic diseases. The organisation has invested millions of dollars to support the top researchers in Australia to conduct different researches and to help the patients to get better treatment. The organisation also provides free services and helps the patients and their families. However, the Leukemia Foundation does not get any government funding, so it relies only on the social and corporate support.

In order to thank Golden Group for their support to the Leukemia Foundation, Ms. Carolyn Turner, the State General Manager of Leukemia Foundation of Western Australia, awarded the medal to Ms. Mimi Wong, Chairman of Golden Group.

**From Left to Right:** Mr. Andrew Sugiaputra, Chairman of the Board of Directors of Golden Group, Ms. Carolyn Turner, the State General Manager of the Leukemia Foundation of Western Australia, Ms. Patti Chong, Ms. Mimi Wong, Chairman of Golden Group, and Mr. Lucio Di Giallonardo, member of the Board of Directors of the Leukemia Foundation.
